

Why Easter?

Who is Jesus?

Why are people excited about him?

Why is he relevant today?

Why should anyone bother to find out?

This booklet is a concise, easy-to-read study of the very real questions you may have about Jesus and why his birth, death and resurrection are central to the Christian faith.

Nicky Gumbel is the pioneer of Alpha. He studied law at Cambridge and theology at Oxford, practiced as a lawyer and was Vicar of HTB in London from 2005 to 2022.
